

## Data collection for tracing Covid-19

Restaurant: \_\_\_\_\_

Guest data:

Date: \_\_\_\_\_ Time of arrival: \_\_\_\_\_

Name, first name: \_\_\_\_\_

Home address: \_\_\_\_\_  
\_\_\_\_\_

Phone number: \_\_\_\_\_

Note: Our federal state requires that gastronomy establishments track who has been a guest on which day. That is how the authorities want to ensure that infection chains can be traced quickly at all times. Sodexo is obliged to register all guests and store that data for several weeks. You can find further information here:
