

# A Culinary Journey with Sodexo Food Services

Driven by our unwavering commitment to maintaining the highest standards of quality, hygiene, and food safety, we've positioned the Sodexo brand as a prominent leader in Indonesia's market. Our core focus revolves around crafting exceptional dining experiences. We take immense pride in delivering food services to businesses, hospitals, schools, universities, and a diverse array of organizations.

We offer you our best-in-class food service solution from our very own Central Kitchen, a practical solution for clients lacking on-site kitchen facilities, as well as for catering corporate events. Nestled within the heart of Jakarta, our Central Kitchen remains dedicated to upholding stringent hygiene and safety protocols. This ensures that every meal we serve reflects our unwavering commitment to excellence and customer satisfaction.

## Our Services:

- » **Meal Programs:** Our food service is fully prepared to supply meals for a range of environments, encompassing offices, schools, healthcare facilities, and more! Should you not have a kitchen available, there's no need for concern, as we have a solution in place.
- » **Event Catering:** Be it corporate affairs or staff get-togethers like Meetings, Incentives, Conferences, and Exhibitions (MICE), our food services are available to cater to your requirements.
